

# Showroom & Multimedia Educational Center

J. Morita USA has opened a new showroom and multimedia educational center located at the headquarters office at 9 Mason in Irvine, California. The showroom highlights Morita's product line including the new Veraviewepocs 2D/3D and 3D Accutomo 80 digital imaging units and the Veraview IC5 digital panoramic. Other equipment on display includes TwinPower Turbine (with cutting stations), Lubrina Handpiece Maintenance System, Root ZX II, and Spaceline EMCIA, as well as consumables.

All imaging units are installed for complete hardware and software demonstrations and training.

The center is available to host study clubs, seminars, and meetings for the dental community. By appointment only. **For more information, call 877-JMORITA (566-7482). Visit us at [jmoritausa.com](http://jmoritausa.com).**
